COVID-19 Weekly Healthcare Provider Update Compilation: As of May 27, 2020, 9:00 AM

The information in this compilation is current only as of the above date and time.

Purpose: The purpose of this weekly publication is to provide healthcare providers in New York State with a consolidated update of guidance released by the New York State Department of Health (NYSDOH) related to the COVID-19 pandemic response. This will show only current guidance for any given topic and will be updated to reflect new guidance.

As a reminder, all advisories and informational messages (including webinar invitations) are distributed through the Integrated Health Alerting Network System (IHANS), an application housed on the Health Commerce System (HCS). If you are not receiving IHANS notifications, please work with your site's HCS coordinator. Additional COVID-19 resources may be found on the NYSDOH webpage under Information for Healthcare Providers.

Recordings of COVID-19 Weekly Healthcare Provider Updates are also available on the NYSDOH webpage.
